**WARNING!**

**DO NOT CHEW YOUR MOUTHGUARD**

In order for a mouthguard to protect, fit, and last it must be worn properly on your teeth and gums as indicated in the fitting instructions. If any mouthguard is chewed or not worn properly, its protection, fit and durability will be greatly diminished.

**FITTING INSTRUCTIONS:**

1. No boiling or custom fitting is required.

NOTE: Mouthguards are best stored in mouthguard cases while not in use. Clean your mouthguard regularly by washing under hot water. If using soap, rinse the mouthguard thoroughly before wearing.
